

## EU Declaration of Conformity

### 1. Product Range / Model

**Product Range / Model:**

Name: 131000231

Description: MODULO INGRESSO SLGS 24V DIN

Model: Logica 24

**Manufacturer Name & Address:****Beghelli Spa**

Via Mozzeghine, 13/15

Valsamoggia – Monteveglio

40053, BOLOGNA, ITALIA

### 2. This declaration of conformity is issued under the sole responsibility of the manufacturer.

**Object of the declaration:**

Product Code: 17231

### 3. The object of the declaration described above is in conformity with the following relevant Union harmonization legislation and with the applicable requirements of the following harmonized standards and technical specifications:

### 4. Directives: 2011/65/EU, 2014/30/EU, 2014/35/EU

| Norms                     | Harmonised Standard Description                                                                                                                                                                                                                                 |
|---------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| EN IEC 61000-3-2 :2019    | Electromagnetic compatibility (EMC) - Part 3-2: Limits - Limits for harmonic current emissions (equipment input current $\leq 16$ A per phase)                                                                                                                  |
| EN IEC 61000-6-1:2019     | Electromagnetic compatibility (EMC)                                                                                                                                                                                                                             |
| EN IEC 61000-6-2:2019     | Electromagnetic compatibility (EMC) - Part 6-2: Generic standards - Immunity for industrial environments                                                                                                                                                        |
| EN 62368-1:2014 + AC:2015 | Audio/video, information and communication technology equipment - Part 1: Safety requirements (IEC 62368-1:2014, modified)                                                                                                                                      |
| EN IEC 63000:2018         | Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances                                                                                                                        |
| EN 62479:2010             | Assessment of the compliance of low power electronic and electrical equipment with the basic restrictions related to human exposure to electromagnetic fields (10 MHz to 300 GHz)                                                                               |
| EN 61000-3-3:2013         | Electromagnetic compatibility (EMC) - Part 3-3: Limits - Limitation of voltage changes, voltage fluctuations and flicker in public low-voltage supply systems, for equipment with rated current $\leq 16$ A per phase and not subject to conditional connection |

### 5. Additional information: The products in this declaration are produced under a quality scheme at least in conformity with ISO 9001 or CENELEC permanent documents.
